**AGREED FINAL JUDGMENT AND INJUNCTION**

---

It appearing to the Court that Plaintiff, the State of Tennessee, by and through Attorney General and Reporter, Robert E. Cooper, Jr., at the request of Mary Clement, the Director of the Division of Consumer Affairs of the Department of Insurance (hereinafter "the State"), and Defendants Mattel, Inc. ("Mattel"), a California corporation and Fisher Price, Inc., ("Fisher Price"), a New York corporation (collectively the "Parties"), have resolved the matters in controversy between them and have consented to the terms of this Judgment, and good cause having been shown, the Court hereby enters this Agreed Final Judgment and Injunction ("Agreed Final Judgment").

Mattel and Fisher Price waive ten days notice of the Attorney General's intention to file an action pursuant to Tenn. Code Ann. § 47-18-108(a)(2). Mattel and Fisher Price expressly waive and relinquish any defense, requirement, or argument that the injunction contained herein

does not contain a findings of fact or conclusions of law. Mattel and Fisher Price hereby accept and expressly waives any defects in connection with service of process issued to them by the State of Tennessee and if no service has issued, Mattel and Fisher Price agree and waive the requirement that the State of Tennessee issue service of process of the Complaint.

Pursuant to the Tennessee Consumer Protection Act of 1977, Tenn. Code Ann. §§ 47-18-101 *et seq.* (“TCPA”) including Tenn. Code Ann. § 47-18-108, it is hereby ordered, adjudged and decreed that:

## **1.0 INTRODUCTION**

1.1 On December 15, 2008, the State filed a Complaint in the above-captioned matter alleging, inter alia, violations of the Tennessee Consumer Protection Act of 1977, § 47-18-101 *et seq.*, by virtue of the alleged sale of toys by Mattel, portions of which may have contained lead paint in excess of Applicable Standards, i.e., the “Recalled Toys,” defined below. Mattel disputes the allegations of the Complaint.

1.2 Following Mattel’s announcement of voluntary recalls of the Recalled Toys, the State of Tennessee, acting by and through its Attorney General, on behalf of the Division of Consumer Affairs, in cooperation with a number of other states and with the cooperation of Mattel, conducted an investigation into the events that led to Mattel’s voluntary recalls and withdrawal from sale of the Recalled Toys, Mattel’s conduct related to the Recalled Toys, its quality assurance testing and procedures, and Mattel’s recall procedures.

1.3 The Parties agree to entry of the Agreed Final Judgment pursuant to a settlement of the disputed claims between the Parties as alleged in the Complaint for the purpose of avoiding prolonged and costly litigation, and to further the goal of enhancing toy safety in the public interest.

1.4 By agreeing to entry of the Agreed Final Judgment, Mattel does not admit any fact, conclusion of law, or violation of law. Neither the Agreed Final Judgment, nor Mattel’s

compliance with the Agreed Final Judgment, shall be construed as an admission by Mattel of any fact, conclusion of law, issue of law or violation of law. Except as explicitly set forth herein, nothing in the Agreed Final Judgment shall prejudice, waive or impair any right, remedy, argument or defense the Parties may have in this or any other pending or future legal proceedings; nor shall anything in the Agreed Final Judgment preclude the State or Mattel from opposing any such defense, argument or claim.

## **2.0 DEFINITIONS**

2.1 “Accessible” shall mean material that is or will become physically exposed to a child through normal and reasonably foreseeable use and abuse of a Children’s Product as determined pursuant to ASTM F 963-07, and as and only to the extent use and abuse is specified by ASTM F 963-07. Any material that is not or does not become physically exposed to a child through normal and reasonably foreseeable use and abuse of a children’s product, as use and abuse is specified by ASTM F 963-07, solely by reason of paint, electroplating, or other surface coating, shall be deemed “Accessible.” The Parties further agree that, in the event that the Consumer Product Safety Commission (“CPSC”) by final rule, exclusion, or exception pursuant to Section 101(b) of the Consumer Product Safety Improvement Act of 2008 (“CPSIA”), exempts any product, component or material, such rule, exclusion or exception shall apply for purposes of the Agreed Final Judgment. The Parties also agree that in the event the CPSC by final rule determines that the Federal Lead Standards apply to any material that is not “Accessible” under the definition in the preceding sentences, then such material shall also be deemed “Accessible” under the Agreed Final Judgment. The foregoing definition of “Accessible” was adopted solely for purposes of the Agreed Final Judgment. It shall not affect the ability of the Attorney General to argue in any other context that materials that are not “Accessible” under the Agreed Final Judgment nonetheless are or ought to be subject to the Federal Lead Standards or to lead standards prescribed by any State law. This Agreed Final Judgment shall not apply to electronic components and accessories that are not “small objects” as

described in ASTM F 963-07 § 4.6.1, but the State retains all other State and federal law enforcement authority.

2.2 “Attorney General” shall mean the Office of Attorney General of the State of Tennessee.

2.3 “Children’s Products” shall have the meaning those terms are given in Section 3(a) of the Consumer Product Safety Act (“CPSA”), 15 U.S.C. § 2052(a), as amended by Section 235 of the CPSIA.

2.4 “Covered Product” shall mean a finished Children’s Product that is manufactured by Mattel or for Mattel by a Vendor on or after the Effective Date and is sold or offered for sale to consumers in the State, including parts and components provided by Suppliers and Subcontractors that are packaged and sold by Mattel with or as part of any such Covered Product.

2.5 “Effective Date” shall mean November 30, 2008.

2.6 “Federal Lead Standards” shall mean any standards set by statute, or promulgated in a final rulemaking, before or after the Effective Date, under the CPSIA or by the CPSC relating to the maximum permissible levels of lead in Substrates and Surface Coatings, including the products or components to which the standards apply and any exemptions from the application of those standards.

2.7 “Government Disclosure Restrictions” shall mean all U.S. federal and foreign government laws, regulations or requirements existing before or after the Effective Date, including but not limited to CPSC reporting, disclosure and publication obligations, instructions or practices, that prohibit or restrict the publication or disclosure or the timing of the publication or disclosure of information by Mattel. Nothing in the Agreed Final Judgment shall be construed as preventing Mattel from arguing that the company is prohibited from disclosing information, and nothing in the Agreed Final Judgment shall be construed to restrict any power of the State or Mattel to seek, through court or administrative process, any information from the other Party, subject to whatever defenses that other Party may otherwise have.

2.8 “Impermissible Lead” shall mean lead in excess of the Lead Standards.

2.9 “Lead Standards” shall mean the standards contained in subsection 3.1 of the Agreed Final Judgment that set the maximum permissible levels of lead in Substrates and Surface Coatings used on or in an Accessible part of a finished Covered Product.

2.10 “Mattel” shall mean Mattel, Inc., and Fisher Price, Inc., and all of their United States and foreign subsidiaries, predecessors, successors, parents, and assigns that manufacture, distribute, market, offer for sale, and/or sell Covered Products.

2.11 “Participating States” shall mean Alabama, Alaska, Arizona, Arkansas, Connecticut, Delaware, Florida, Hawaii, Idaho, Iowa, Kansas, Kentucky, Maryland, Massachusetts, Michigan, Mississippi, Missouri, Montana, Nebraska, Nevada, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Dakota, Tennessee, Texas, Vermont, Washington, West Virginia, Wisconsin, and Wyoming

2.12 “Participating Attorney(s) General” shall mean: the Attorney General or his or her designee, of the Commonwealth or State of Alabama, Alaska, Arizona, Arkansas, Connecticut, Delaware, Florida, Hawaii, Idaho, Iowa, Kansas, Kentucky, Maryland, Massachusetts, Michigan, Mississippi, Missouri, Montana, Nebraska, Nevada, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Dakota, Tennessee, Texas, Vermont, Washington, West Virginia, Wisconsin, and Wyoming.<sup>1</sup>

2.13 “Parties” shall mean Mattel and the Attorney General of the State.

2.14 “Recalled Toys” shall mean those products made by or for Mattel that Mattel withdrew from sale or recalled in the United States due to the potential presence of lead, on or

<sup>1</sup>Hawaii is being represented on this matter by its Office of Consumer Protection, an agency which is not part of the state Attorney General’s Office, but which is statutorily authorized to undertake consumer protection functions, including legal representation of the State of Hawaii. For simplicity, the entire group will be referred to as the “Participating Attorneys General” and such designation, as it pertains to Hawaii, refers to the Executive Director of the State of Hawaii Office of Consumer Protection.

after August 1, 2007, and prior to the Effective Date, as specifically identified in the attached Exhibit 1.

2.15 “Subcontractor” shall mean a third party, other than a Supplier or Vendor, that manufactures components or parts that are unique to Mattel products for a Vendor or Mattel.

2.16 “Substrates” shall mean any Accessible materials used in finished Covered Products that are not Surface Coatings.

2.17 “Supplier” shall mean a third party that provides bulk, generic and/or commodity materials and components not uniquely used by Mattel in the manufacture of its toys (including but not limited to plugs, cords, bolts, screws, or other parts commonly used by manufacturers of toys).

2.18 “Surface Coatings” shall mean those Accessible paints and other similar surface coating materials used on finished Covered Products as defined and limited by 16 C.F.R. § 1303.2(b)(1).

2.19 “Vendor” shall mean a third party that manufactures for Mattel finished Covered Products sold at wholesale by Mattel.

### **3.0 COMPLIANCE PROVISION / PERMANENT INJUNCTION**

Accordingly, pursuant to the Tennessee Consumer Protection Act of 1977 and specifically Tenn. Code Ann. § 47-18-108(a)(4), (a)(5) and (b)(2), it is hereby ordered that:

#### **3.1 COMPLIANCE WITH LEAD STANDARDS: COVERED PRODUCTS**

Mattel shall not manufacture, distribute, donate, offer for sale or sell Covered Products with a concentration of lead in or on Accessible parts in excess of the following standards.

3.1.1 For each Accessible Surface Coating on a finished Covered Product, 90 parts per million (ppm) total lead for finished Covered Products manufactured after the Effective Date.

3.1.2 For each Accessible Substrate in or on a finished product:

3.1.2.1 300 ppm total lead for finished Covered Products manufactured after the Effective Date but before August 14, 2011; and

3.1.2.2 100 ppm total lead for finished Covered Products manufactured on or after August 14, 2011, unless the CPSC determines that a standard of 100 ppm total lead for finished Covered Products is not technologically feasible, in which case Mattel shall be obligated to comply with the standard established by the CPSC.

3.1.3 Nothing in the Agreed Final Judgment shall prevent the State from enforcing more stringent applicable lead standards in State or federal law.

### 3.2 **RECORD KEEPING**

With respect to any Mattel finished Covered Product, Mattel shall keep or shall contractually require each of its Vendors to keep for at least four (4) years from the time the record was created: (a) records that identify each Subcontractor that manufactures parts or components with Accessible Surface Coatings or Substrates used on or in finished Covered Products; and (b) records of the protocols used and the results obtained from screening and testing performed.

### 3.3 **REPORTING VIOLATIONS OF LEAD STANDARDS**

If Mattel has reason to believe that it may have distributed, sold or otherwise introduced into the stream of commerce of the State a Covered Product that contains Impermissible Lead, then Mattel shall immediately investigate, and upon confirmation, which shall take place as soon as reasonably possible, shall notify the Attorney General promptly, but in no event more than three (3) business days after Mattel's confirmation that the Covered Product contains Impermissible Lead. At that time, or as soon thereafter as practicable, Mattel shall supplement the initial notification with any test results and information it has about the source of the Covered Product, including the names and contact information of each facility owned by Mattel, a Vendor, Supplier, or Subcontractor, where the Covered Product or its parts were manufactured,

decorated or assembled. The timing and content of any disclosures of information required under this section shall be subject to any Government Disclosure Restrictions.

### 3.4 **RECALLS**

3.4.1 Mattel shall provide to the Participating Attorneys General (or their designee) the information it provides in any written reports to the CPSC concerning any recall of Covered Products because of lead content, as soon as possible, once any such recall is approved and announced by the CPSC, as permitted by and consistent with Government Disclosure Restrictions, and any and all follow-up reports, including information contained in its progress reports on the efficacy of product recalls, subject to confidentiality as permitted by law.

3.4.2 Mattel shall provide direct notice of a recall because of lead content involving Covered Products to all consumers of the affected Covered Product for whom Mattel possesses address or e-mail information. The notice shall include, at a minimum, information that is equivalent to the information in the recall notice approved by the CPSC.

3.4.3 Upon request, Mattel shall, as permitted by and consistent with Government Disclosure Restrictions, provide to the affected State Attorney General information concerning the scope and effectiveness of any recall of Covered Products because of lead content in his or her State, including information concerning the retailers doing business within the State to which such product was provided, and the identity of distributors of the product doing business within the affected State.

### 3.5 **CHILDREN'S PRODUCTS THAT ARE NOT COVERED PRODUCTS**

If Mattel has reason to believe that a Children's Product sold in the State of Tennessee prior to February 10, 2009, and manufactured before the Effective Date by Mattel or for Mattel by a Vendor may contain more than 600 ppm lead in or on an Accessible Surface Coating or otherwise violates the applicable State's lead standard, then Mattel shall immediately investigate, and upon confirmation, which shall take place as soon as reasonably possible, shall promptly (i) stop distributing the Children's Products for sale in the State, (ii) notify customers of the non-

conforming Children's Products, and (iii) inform the Attorney General of the issue and describe what action or actions it has taken to prevent the Children's Products from being sold by Mattel in the State. In no event shall Mattel first inform the Tennessee Attorney General of the issue more than three (3) business days after Mattel's confirmation that a Children's Product manufactured before the Effective Date by Mattel or by a Vendor for Mattel contains more than 600 ppm lead in or on an Accessible Surface Coating. If Mattel or the State of Tennessee has reason to believe that a Children's Product sold in the State prior to February 10, 2009, and manufactured before the Effective Date by Mattel or for Mattel by a Vendor contains lead in an Accessible Substrate that poses a health hazard to children, Mattel shall work together with the Tennessee Attorney General's Office to resolve the matter as expeditiously as possible and in the interests of the consuming public. This section does not apply to electronic components and accessories that are not "small objects" as described in ASTM F 963-07 § 4.6.1. In the event Mattel undertakes a recall of a Children's Product manufactured before the Effective Date pursuant to CPSC regulations, it shall be deemed to satisfy Mattel's obligations hereunder, except that Mattel shall provide notice to the Tennessee Attorney General in accordance with Section 3.4. Nothing in the Agreed Final Judgment shall limit the authority of the Tennessee Attorney General to take legal action under State or federal law with respect to a Children's Product manufactured prior to the Effective Date, except for the Recalled Toys, listed in Exhibit 1.

#### **4.0 PAYMENT**

Mattel shall pay, on or before January 30, 2009, by wire transfer or as otherwise directed, the sum of **TWELVE MILLION DOLLARS AND 00/100 CENTS (\$12,000,000)** to the Participating Attorneys General. The payment shall be made to the Commonwealth of Massachusetts, Office of the Attorney General, to be distributed to the Participating Attorneys General as agreed upon by them. The payment received by the State of Tennessee shall be

**TWO HUNDRED THIRTY NINE THOUSAND EIGHTY-SIX DOLLARS AND 00/100**

**CENTS (\$239,086.00)** and shall be distributed and used as follows:

(A) Pursuant to Tenn. Code Ann. §§ 47-18-108(b)(3) and 47-18-108(a)(5), defendants shall pay the sum of **ONE HUNDRED THOUSAND AND EIGHTY SIX DOLLARS AND 00/100 CENTS (\$100,086.00)** to the state of Tennessee for attorneys' fees and costs of investigation, prosecution and monitoring for compliance of this matter, which may be used for consumer protection purposes or other lawful purpose at the sole discretion of the Attorney General.

(B) **THIRTY-NINE THOUSAND DOLLARS AND 00/100 CENTS (\$39,000.00)** shall be used for consumer education purposes or consumer protection enforcement and investigation costs under the Tennessee Consumer Protection act at the sole discretion of the Director of the Division of Consumer Affairs.

(C) **ONE HUNDRED THOUSAND DOLLARS AND 00/100 CENTS (\$100,000.00)** shall be paid to the state of Tennessee's general fund.

(D) If the entire monetary amount anticipated by the state of Tennessee is not received, any monies received shall first be attributed to attorneys' fees pursuant to paragraph 4.0(a), next to the payment to the next to consumer education funding pursuant to paragraph 4.0(b) and finally to civil penalties pursuant to paragraph 4.0(c).

(E) If more money is received than anticipated by the state of Tennessee, any additional sums shall be paid to the Attorney General as attorneys' fees pursuant to paragraph 4.0(a)

In the event that payment in full is not made by January 30, 2009, Mattel shall pay an additional penal sum of fifty thousand dollars (\$50,000) for each calendar day beyond January 30, 2009 for which payment is delayed. In the event that full payment of twelve million dollars (\$12,000,000) and accrued penalties is not received by February 27, 2009, this shall constitute a default of the payment provisions of this Agreed Final Judgment, which may be pursued as Contempt by one designated State representing the Participating States.

## **5.0 RELEASE**

5.1 **Released claims.** By execution of the Agreed Final Judgment and any documents necessary to render the Agreed Final Judgment effective and enforceable in Tennessee, and conditioned upon entry of the Agreed Final Judgment in the Tennessee and full and final payment by Mattel of the amounts provided in Paragraph 4, "Payment" the Attorney General releases Mattel and all of its U.S. and foreign past and present parents, subsidiaries, affiliates, officers, directors, employees, shareholders, insurers, attorneys, predecessors, successors, retailers, distributors, licensors, licensees, customers and wholesalers (collectively, the "Released Parties") from all civil claims or civil causes of action of whatever kind or nature (including but not limited to all civil claims for compensatory and punitive damages, restitution, fines, costs, attorney's fees, injunctive relief and penalties) that have been or could have been asserted by the Attorney General against the Released Parties under the common law, and under the federal and state laws listed in Exhibit 2 for the manufacture, distribution, donation, marketing, offer for sale, or sale of Recalled Toys (listed in Exhibit 1) prior to the Effective Date, based on the presence of lead.

5.2.3 Any civil or administrative liability that any person or entity, including the Released Parties, has or may have to the State under any statute, regulation or rule not expressly

covered by the release in Section 5.1 above, including, but not limited to, any and all state and federal anti-trust and tax claims.

5.2.4 Any civil or administrative liability that any person or entity, including the Released Parties, has or may have to the State of Tennessee under any statute, regulation or rule for the manufacture, distribution, sale and/or offering for sale of any Children's Product that contains heavy metals, elements, substances, chemicals and/or materials other than lead.

5.2.5 Any claims against a distributor, retailer, authorized seller, licensor, licensee, customer or wholesaler who offered for sale or sells Recalled Toys after the Effective Date, or knowingly sold or offered for sale any of the Recalled Toys prior to the Effective Date and after the recall or withdrawal from the market of the particular Recalled Toy.
